

REALITY-BASED TRAINING GROUP, LLC. CAPABILITIES STATEMENT

Overview: Reality-Based Training Group, LLC.

(RBTG) is a regionally owned training company that provides world class police and security training. RBTG caters to government agencies, contractors, security companies, university/campus police, and police departments. Therefore, RBTG only hires instructors and Subject Matter Experts (SMEs) specifically to meet the needs of federal, state and local agencies.

Our Management program and classes will break down how to be an effective manager of law enforcement officers, and how to maintain a level of professionalism

Why Reality-Based Training Group LLC?

Customer Focus. RBTG caters to our customers. With a wide range of available training platforms RBTG makes it easy to design around clients' particular needs.

Flexible and Responsive. Flexible instructor scheduling allows us to shift training priorities if necessary.

Experienced. Our instructors have a combined total of over 50 years of training experience and we train approximately 1,000 Protective Security Officers and Special Police Officers per year.

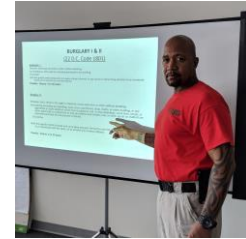

In today's world law enforcement officers are faced with many challenges and situations that may require us to use force or verbal judo to defuse situations and or neutralize the threat at hand, we have put together a comprehensive training regimen for officer survival and use of force training to include scenario-based exercises.
